### DEBBIE NUNN

Latest CD from this extremely talented singer /songwriter ,recorded at J Studios Nashville USA and at Honey Bee Studios England ,Produced in collaboration with Spencer Jaye . Debbie is a mature song writer and was involved in co- writing ten tracks plus the classy title track (HERE FOR YOU) alone .This beautiful young lady is a terrific singer ,putting all her songs over with strong ,vibrant ,clear, heartfelt singing and great high quality music from top class musicians ,which includes Larry Franklin 3 times grammy winner and CMA musician of the year . These excellent tracks are my favourites of the album IF LOVE CAN MOVE MOUNTAINS , FALL IN LOVE AGAIN , HERE FOR YOU , GOD ONLY KNOWS , ROAD TO LOVE and LOOKS SO GOOD .This 14 track album is a gem of a release British country music at it's best and compares very favourably with Nashville's top albums ,I thoroughly recommend this superb album is available from HMV .

Here  
You  
Go!

**CHOIR.** Marty Stuart's track \*Its time to go home\* I personally did not like this at all more like a line dance track I felt it would be more suited to the hot Disc chart I am a great fan of Marty Stuart's but this did nothing for me. Even Pat Boone has a go with a monologue \* The Valley Of Silence \* I am so surprised to see this one there as he has recoded some good monologues but this is not one of his best. I really admire Paul Davis for putting the N.C.M. chart together he has been doing this for some years and I think its wonderful that he is bringing this music to the fore front .In America its very popular so why not in the U.K.?
